

## Conference Rooms

The completely refurbished **Cruising Yacht Club Of Australia** offers two conference areas, both with a large first floor balcony that feature panoramic views of Sydney's harbour and Rushcutters Bay. The **Morna Room** is perfect for an intimate meeting, while the **Freya Room** is a larger area with state-of-the-art overhead facilities and more space to spread out. Both the **Morna and Freya Room** can be combined in to one large conference, seminar or workshop area, while the **Board Room** is ideal for complete privacy. Our a la carte restaurant and bistro area provide a great space for a break out for morning and afternoon tea, lunch and dinner.

Set on the foreshore of Sydney Harbour's Rushcutters Bay, the Club is just 5 minutes away from the city's CBD. New Beach Road provides the main thoroughfare to the Club with a scheduled bus route #327 originating from city and suburban depots. The convenience of a taxi and water taxi can be arranged on request, while a short walk from Edgecliff train station will have you at the Club's door within minutes.
